County/Counties	VARIES
Est. CEI Contract Amount	\$1.22 MIL
Est. CEI Contract Execution	July 2021
BDI	NO

Project Description:

WRONG WAY DETECTION TECHNOLOGY IMPLEMENTATION - SOUTH FLA & POWER SYSTEM HARDENING FOR ITS INFRASTRUCTURE

This CEI contract is intended to administer two separate ITS projects, with an anticipated contract execution in August 2021. The Wrong Way Detection Implementation of South Florida will be design-build, with an anticipated project duration of 30 months. Work will involve 45 ramp locations, on the Turnpike mainline between Sunrise Blvd and PGA Blvd, Turnpike Extension/SR 821 between mileposts 1 – 13, and Sawgrass Expressway between mileposts 1 – 19. The second contract, Power Hardening for ITS Infrastructures, will be a design-bid-build with a construction duration of 6 months. Work will involve installation of new generators & their associated facilities, to prevent outages at 25 selected Power Distribution Subsystems. Work will include locations on the HEFT/SR 821, Turnpike Mainline/SR 91, Boynton Beach Blvd/SR 804, and Seminole Expressway/SR 417.

PHASE 62 (CEI)

PM	Tracie Rose (813) 541-7944
AD NO / FPID(S)	22817 / 445913-1-62-01
County/Counties	HERNANDO
Estimated CEI Contract Amount	\$1.01M
Estimated CEI Contract Execution	April 2022
BDI	YES

Project Description:

RESURFACE SUNCOAST (SR 589) MP 44.5-55.2

The project consists of milling and resurfacing friction course only on the Suncoast Parkway from SR 50 to US 98. The Southbound exit ramp and Northbound entrance ramp at SR 50 are also included. The project excludes the areas recently milled and resurfaced under FPID 436619-1-52-01 and FPID 405270-1-52-01.

IMPROVEMENTS AND CHANGES

1. Consultant Corner Website
2. Automated Meeting Registration
3. Procurement – Virtual Meetings
4. Estimates

<https://floridasturnpike.com/business-opportunities/consultant-corner/>

- “One stop shop” for Consultant Firms seeking to conduct business with Florida’s Turnpike Enterprise
- Provides Upcoming Meeting Opportunities
- Self registration for upcoming Technical Panel Sessions or General Informational Meetings
- Information Hub – provides process changes, helpful tips and other beneficial information
- Direct communication – ask questions or provide feedback to the FTE Program Management team

AUTOMATED REGISTRATION PROCESS

Automated registration process for Project Specific/Technical
Panel Sessions and General Informational Meetings

<https://floridasturnpike.com/business-opportunities/consultant-corner/technical-panel-sessions/>

Once granted access, (instructions for requesting access provided on the website)
firms can now make a new reservation, modify or cancel an existing
reservation for a Technical Panel Session or General Informational
Meeting online

VIRTUAL PROCUREMENT ACTIVITIES

Unless otherwise noted, all procurement meetings (including consultant interviews, oral presentations, longlist, shortlist, final selection, negotiations, and any other public or exempt meetings) shall be conducted virtually to allow for social distancing

VIRTUAL MEETING GUIDELINES

Professional Services and Contractual Services

https://fdotwww.blob.core.windows.net/sitefinity/docs/default-source/procurement/pdf/professional-services-and-contractual-services-virtual-meeting-guidelines.pdf?sfvrsn=492e3889_2

Design Build Procurement

https://fdotwww.blob.core.windows.net/sitefinity/docs/default-source/procurement/pdf/design-build-virtual-meeting-guidelines.pdf?sfvrsn=ad194c11_2

- PD&E Consultants are no longer required to produce an LRE Assumptions Checklist
- PD&E Consultants are now scoped, and staff hours negotiated, for the creation and development of the LRE for their design/scope of work
 - *only applies to PD&E phases*

MBE Requirements

The Corporation must -

- Be registered and based in Florida
- Be owned and managed by a Florida resident
- Be 51% managed, owned and control by a woman, veteran or minority
- Be engaged in Commercial Transactions
- Be registered in MyFloridaMarketplace
- Have a net worth less than \$5 million
- Have 200 or fewer full-time employees
- Have a professional license if required in the name of the woman, veteran or minority.

DBE Requirements

The Corporation must –

- Be 51% managed, owned and controlled by a minority
- Have an owner possessing expertise in work specialty
- Have Net Worth less than \$1.32M (excluding business & primary residence)
- Have annual gross revenues less than \$22.4M in the previous three fiscal periods
- Be an independent business entity whose viability does not depend on relationships with other firms

MBE Benefits

- First tier of businesses (state certified women, veteran and minority owned small businesses) referred to state agencies seeking to include supplier diversity as part of their purchase order and contract opportunities
- Listing of newly certified businesses are also highlighted on the Office of Supplier Diversity (OSD) home page
- Inclusion in the Certified Business Enterprise Vendor Directory that is used by 42 state agencies seeking diverse suppliers
- Receipt of emails providing contract opportunities, networking activities and technical assistance training
- Simplified re-certification - after two years of certification, vendors can self-recertify online

DBE Benefits

- Inclusion in the DBE directory used by all agencies to find diverse suppliers
- Participate in FDOT's DBE training and matchmaking services provided by Construction Estimating Institute
- Introduction to Prime Contractors to assist the FDOT meet the mandatory 10.65% DBE participation goal.

1. Confirm your sub consultants' MBE status, by searching the database on the Office of Supplier Diversity website below
<https://osd.dms.myflorida.com/directories>
2. Regardless if the consultant (Prime or Sub) is certified as DBE, MBE or both, payments should be reported in the EOC system in a timely manner by using the link below
<https://fdotwp1.dot.state.fl.us/EqualOpportunityCompliance/Account.aspx/Login?ReturnUrl=%2fEqualOpportunityCompliance>
3. The latest Contract Sub Payment Detail Report (found in the EOC system) should be included with your monthly progress reports
4. List all consultants (Prime and Sub) in your monthly progress report indicating certification of MBE, DBE or both with their respective certification dates
