

## Suncoast Parkway/SR 589 Interchange Improvements at SR 54 FPID: 444486-1

### Project Description

The project improves the northbound exit ramp to SR 54 to address existing operational issues. Work includes adding one left turn lane, one right turn lane and one deceleration lane for the northbound exit ramp from the Suncoast Parkway/SR 589.

The project also includes improving the southbound on ramp to the Suncoast Parkway/SR 589.

### Project Status

Design will begin in September 2020.

Construction is funded in Fiscal Year 2022.
