Northbound Suncoast Parkway Exit Ramp to US 98 Opens in New Location

On Monday, March 8, Florida's Turnpike Enterprise (FTE) is scheduled to open the new northbound Suncoast Parkway/State Road (SR) 589 exit ramp to US 98 in its final configuration.

Drivers on northbound Suncoast Parkway wishing to exit at US 98 will be directed to use the new exit ramp, located 1,000 feet west of its current location, as shown in the aerial graphic below.

Message boards have been installed along the corridor directing drivers to the new ramp location. Motorists are encouraged to use caution and follow the posted signage.

This work is part of the Suncoast Parkway 2/SR 589 expansion project from US 98 to SR 44.

Please note that this schedule may change due to inclement weather or unforeseen conditions. FTE thanks you for your continued patience while we complete this important work.
