

Suncoast Parkway Ridge Road Interchange Project

Project Description

Pasco County, in partnership with Florida's Turnpike Enterprise (FTE), is constructing a new interchange on Suncoast Parkway/State Road (SR) 589 at Ridge Road, in Pasco County.

This project includes the following:

- Constructing a full interchange at Ridge Road with access to and from northbound and southbound Suncoast Parkway
- Constructing new All-Electronic Tolling (AET) facilities at the northbound entrance ramp and southbound exit ramp
- Intelligent Transportation System (ITS) improvements
- New signage lighting and pavement markings

Construction and Traffic Impacts

Construction will take place during both daytime and nighttime hours. Nearby residents and businesses may experience periodic construction light, noise, vibration, and dust through the project's duration. FTE takes steps to reduce construction impacts and efforts will be made to limit traffic and noise disruptions.

Lane closures will generally take place during off-peak hours to minimize traffic congestion and delays for most drivers. Closures will be announced in advance in the Central and West Central Florida Weekly Lane Closures and Work Zone Advisory.

Schedule and Funding

Construction Schedule

Work is anticipated to be completed in mid-2022.

Cost and Funding

The project cost is approximately \$20 million.
