

Sawgrass Expressway and Lyons Road Interchange Improvements Project

Project Description

Florida's Turnpike Enterprise (FTE) is improving the existing interchange at Sawgrass Expressway/State Road (SR) 869 and Lyons Road, in Broward County.

This project includes:

- Converting the left turn lane from southbound Lyons Road to eastbound Sawgrass Expressway to a dual left turn lane
- Resurfacing the left turn lane from northbound Lyons Road to westbound Sawgrass Expressway
- Constructing a pedestal mounted traffic signal on Lyons Road
- Signage and pavement marking improvements

Construction and Traffic Impacts

Construction will take place during both daytime and nighttime hours. Nearby residents and businesses may experience periodic construction light, noise, vibration, and dust throughout the project's duration. FTE takes steps to reduce construction impacts and efforts will be made to limit traffic and noise disruptions.

Lane closures will generally take place during off-peak hours to minimize traffic congestion and delays for most drivers. Closures will be announced in advance in the South Florida and Treasure Coast Weekly Lane Closures and Work Zone Advisory.

Schedule and Funding

Construction Schedule

Work is anticipated to be completed in mid-2021.

Cost and Funding

The project cost is approximately \$281,600.
