

ABOUT THE PROJECT

About the Sawgrass Expressway

The Sawgrass Expressway (SR 869) is a 21-mile limited access roadway located in northern Broward County that:

- provides a vital link to Southwest Florida, Southern Broward and Miami-Dade Counties;
- is part of Florida's Strategic Intermodal System (SIS) and the National Highway System (NHS);
- is designated as an evacuation route; and
- provides connectivity to other evacuation routes such as I-75, the Florida's Turnpike Mainline (SR 91) and I-95.

Anticipated Schedule

Design: To be completed by March 2022

Right of Way Acquisition: December 2021

Construction: Anticipated to take approximately 3 years starting August 2022
