### New Direct Connect Exit Ramp from Northbound Florida's Turnpike to Eastbound Dolphin Expressway

Florida's Turnpike Enterprise (FTE) opened a new direct connect exit ramp from northbound Florida's Turnpike/State Road (SR) 821 to eastbound Dolphin Expressway/SR 836, on Friday morning, July 30.

Drivers on northbound Florida's Turnpike can now use the new direct connect exit ramp from the designated left lane as another option to access eastbound Dolphin Expressway. **Access to NW 107 Avenue is not available from this new exit ramp.** Northbound Florida's Turnpike drivers can still access eastbound Dolphin Expressway and NW 107 Avenue from the designated right three lanes (Exit 26).

As part of this project, FTE also opened additional northbound travel lanes on Florida's Turnpike from Bird Road/SW 40 Street to Dolphin Expressway to increase traffic flow through this busy area.

Drivers are encouraged to use caution and follow the posted signage.
