New Direct Connect Exit Ramp from Northbound Florida's Turnpike to Northbound Don Shula Expressway

Florida's Turnpike Enterprise (FTE) opened a new direct connect exit ramp from northbound Florida's Turnpike/State Road (SR) 821 to northbound Don Shula Expressway/SR 874, on Friday, August 6.

Drivers on northbound Florida's Turnpike can now use the new direct connect exit ramp from the designated left lane as another option to access northbound Don Shula Expressway. Northbound Florida's Turnpike drivers can still access northbound Don Shula Expressway from the designated right three lanes (Exit 17).

The opening of this new ramp will reduce congestion and greatly increase traffic flow through this busy area. Drivers are encouraged to use caution and follow the posted signage.
