

Construction Alert

Roadway Improvement Activities to Begin

Florida's Turnpike Enterprise (FTE) will improve the current conditions of several private roadways east of the Suncoast Parkway 2/State Road (SR) 589 expansion project. Starting Monday, January 17, portions of the following sand and dirt roads will be graded:

- S. Georgian Road
- Kracker Lane
- W. Cracker Lane
- S. Hilltop

As part of this work, crews will also fill in any existing potholes in the roadway with sediment. Work will be completed within the hours of 7 a.m. and 5:30 p.m. This work is anticipated to take approximately two weeks. Access to private properties will be maintained throughout the grading operation.

This work is part of the Suncoast Parkway 2/SR 589 project, from US 98 to SR 44, expanding Suncoast Parkway northward for 13 miles.

Please note that this schedule may change due to inclement weather or unforeseen conditions. Drivers may dial 511 for real-time traffic information, visit www.fl511.com before traveling, or follow [@FloridaTurnpike](https://twitter.com/FloridaTurnpike) on Twitter.

FTE thanks you for your continued patience while we complete this important work.
