

Central & West Central Florida Dynamic Message Sign & CCTV Camera Installation Project

Project Description

Florida's Turnpike Enterprise (FTE) is installing two Dynamic Message Signs (DMS) and Closed-Circuit Television (CCTV) cameras at the Canoe Creek, Turkey Lake and Okahumpka Service Plazas, for a total of six DMS and six CCTV cameras.

FTE is also installing two Arterial Dynamic Message Sign (ADMS) and CCTV cameras near Veterans Expressway/SR 589 along Hillsborough Avenue, Linebaugh Avenue and Citrus Park Drive/Gunn Highway, for a total of six DMS and six CCTV cameras.

This project also includes installing:

- CCTV cameras along Florida's Turnpike/SR 91 in Lake and Orange Counties, Seminole Expressway/SR 417 in Seminole County, Polk Parkway/SR 570 in Polk County and Veterans Expressway/Suncoast Parkway/SR 589 in Hillsborough and Pasco Counties
- One DMS along westbound SR 408 approaching Florida's Turnpike

Construction and Traffic Impacts

Construction will take place during both daytime and nighttime hours. Nearby residents and businesses may experience periodic construction light, noise, vibration, and dust. FTE takes steps to reduce construction impacts and efforts will be made to limit traffic and noise disruptions.

Lane closures will generally take place during off peak hours to minimize traffic congestion and delays for most drivers. Closures will be announced in advance in the Central and Central West Florida Weekly Lane Closures and Work Zone Advisory.

Schedule and Funding

Construction Schedule

Work is anticipated to be completed in 2022.

Cost and Funding

The project cost is approximately \$7.6 million.
