Design-Build Public Information Meeting Notice

*Florida's Turnpike Enterprise to Host Public Information Meeting
for Seminole Expressway Widening (State Road 417) in Seminole County*

Ocoee, FL – The Florida Department of Transportation, Florida's Turnpike Enterprise will hold a Design-Build Public Information Meeting for the **Widen Seminole Expressway (State Road 417) from Aloma Avenue to State Road 434 project in Seminole County, Financial Project Number 417545-1.**

The Design-Build Public Information Meeting will be held at 5:30 p.m. on Tuesday, August 30, 2022 (virtual) and at 5:30 p.m. Thursday, September 1, 2022 (in-person).

Interested persons may participate in the meeting in the following ways:

- 1) Virtually from a computer, tablet, or phone on **Tuesday, August 30, 2022.** Participants attending virtually may join the Public Information Meeting in listen-only mode by calling 1 (562) 247-8422 and entering the access code 765-390-491 when prompted. Virtual/online and telephone attendees will participate in the same virtual Public Information Meeting; or
- 2) In-person by going to the Oviedo Amphitheater and Cultural Center, 357 Center Lake Lane, Oviedo, FL 32765, on **Thursday, September 1, 2022.**

Virtual/online and telephone attendees will participate in the same live virtual Public Information Meeting.

If you wish to participate in the Public Information Meeting virtually, please visit the project website at www.SeminoleEXPYAloma434.com to register for the meeting and to select your participation option. Please note that registration works best in the Google Chrome, Microsoft Edge, or Firefox web browser. Once registered, you will receive a confirmation email that includes instructions on how to join the virtual meeting.

Persons wishing to submit public comments or questions may do so whether attending virtually or at the in-person location. Those who are unable to participate in the Public Information Meeting may submit comments by contacting Carlos Estrella, P.E., using the contact information provided below. All comments received or postmarked no later than **September 12, 2022**, will be included in the records for the Public Information Meeting.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Carlos Estrella, P.E., using the contact information below, at least seven (7) days prior to the meeting. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1 (800) 955-8771 (TDD) or 1 (800) 955-8770 (Voice).

If you have any questions about the project or the scheduled meeting, please contact:

Carlos Estrella, P.E.
Project Manager for Florida's Turnpike Enterprise (Atkins)
P.O. Box 613069
Ocoee, Florida 34761
Phone: (407) 264-3068
Email: Carlos.Estrella@dot.state.fl.us

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
