The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

Public Information Meeting may submit comments by contacting Teresa Price P.E., using the contact information provided below. All comments received postmarked no later than **November 11, 2022**, will be included in the records for the Public Information Meeting.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Teresa Price P.E., using the contact information below, at least seven (7) days prior to the meeting. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, at +1 (800) 955-8771 (TDD) or +1 (800) 955-8770 (Voice).

If you have any questions about the project or the scheduled meeting, please contact:

Teresa Price, P.E.
