

Turnpike Mainline (SR 91) TSM&O Add Lanes from Sawgrass Expressway to Palm Beach County Line FPID: 415927-4

Project Description

This project is to improve operations by adding northbound and southbound travel lanes to the Turnpike Mainline / SR 91 from north of the Sawgrass Expressway / SR 869 to the Broward / Palm Beach County Line. This is a Transportation Systems Management and Operations (TSM&O) project that converts a portion of the shoulder along with minor widening to add a lane in each direction to a two-mile segment of the Turnpike Mainline / SR 91. The project will increase the number of lanes from six to eight. The project goes with 418214-5.

Project Status

This project is in Design.

Construction is funded in Calendar Year 2024.
