

Add Auxiliary Lanes to  
**Florida's Turnpike (SR 91)**  
 From State Road 821 to Griffin Road (SR 818)

# About the Project

**PROJECT LOCATION LEGEND**

- Project Limits for SR 821 to Johnson Street (FPID #446223-1)
- Project Limits for Johnson Street to Griffin Road (FPID #446224-1)

## KEY PROJECT IMPROVEMENTS

*The project will:*

- Provide additional northbound and southbound lanes on the Turnpike, resulting in a fourth travel lane in each direction;
- Construct noise walls where reasonable and feasible;
- Improve drainage, lighting, signing, and pavement markings; and
- Improve intersections at the Hollywood Boulevard interchange.

## ANTICIPATED SCHEDULE

**Public Meeting**

**Design Complete**

**Begin Construction**

Design: To be completed by Third Quarter of 2023

Construction: Anticipated to take approximately 3 years starting First Quarter of 2024

*\* Project Schedule tentative, subject to change*
