

2023 ENGINEERS WEEK ACTIVITY SCHEDULE

MONDAY, FEB 20TH SAFETY MONDAY WITH FHP

Location: Turkey Lake Service Plaza Parking Lot next to Restaurant Bldg

Time: 11:00 am -1:00 pm

Let's kick off Engineer's Week by learning from FHP about Safety! Please take a moment to come by the Turkey Lake Service Plaza to see the seatbelt rollover simulator from FHP. See what happens in a vehicle rollover event. We all have a role in making our road safer for everyone and imagining the possible- Vision Zero!

TUESDAY, FEB 21ST TURNPIKE TUESDAY

Location: Turnpike HQ Parking Lot

Time: 12:00 – 1:30 pm

Join the Turnpike team in the Turnpike HQ Parking Lot for the annual Cornhole Tournament and a tasty bite from a Food Truck

WEDNESDAY, FEB 22ND ROBOTICS WEDNESDAY

Location: Turnpike HQ – Auditorium A

Time: 3:00 – 4:00 pm

Learn from the school kids that will help Create the Future as we host robotics teams Super 7 and Zip Ties in-person at Turnpike HQ!

THURSDAY, FEB 23RD INTRODUCE A GIRL TO ENGINEERING DAY

Location: Turnpike HQ

Time: 10:00 am to 1:00 pm

Turnpike is partnering with WTS to help kids from Milwee Middle School learn about project delivery and engineering.

FRIDAY, FEB 24TH ENGINEERING WITH TILDENVILLE

Location: Tildenville Elementary School

1221 Brick Rd, Winter Garden, FL 34787

Time: 9:00 – 10:30 am

We are headed back to Tildenville Elementary School to present to 5th grade students about a wide variety of engineering topics. Then they will join in the Chocolate Asphalt Activity.

Inspire the next
generation
of innovators.

CREATING THE
FUTURE
