

## Florida's Turnpike Mainline (SR 91) Resurfacing and Roadside Improvements Project from Milepost 112 to Milepost 118

### Project Description

Florida's Turnpike Enterprise (Enterprise) is resurfacing Florida's Turnpike Mainline/State Road (SR) 91 from milepost 112 to milepost 118, in Palm Beach County.

Project Benefits:

- Reduce skidding by installation of friction course treatment on all travel lanes within project limits
- Enhance protection by installation of new highly reflective signing, guardrail, lighting, intelligent transportation systems and pavement markings

### Construction and Traffic Impacts

Construction will take place during both daytime and nighttime hours. Nearby residents and businesses may experience periodic construction light, noise, vibration, and dust. The Enterprise takes steps to reduce construction impacts and efforts will be made to limit traffic and noise disruptions.

Lane closures will generally take place during off peak hours to minimize traffic congestions and delays for most drivers. Closures will be announced in advance in the South Florida and Treasure Coast Weekly Lane Closures and Work Zone Advisory.

#### Schedule and Funding

##### Construction Schedule

Work is anticipated to be completed in late 2023.

##### Cost and Funding

The project cost is approximately \$12.5 million.
