

# Ensuring a Successful Meeting

Florida's Turnpike Enterprise is committed to receiving input from community members on the development of our roadways.

**Your opinion matters!**

## **Help us maintain a productive atmosphere.**

This is a space for all, and we want to make sure we hear from everyone. Please do your part to keep exchanges respectful and silence your cell phones to minimize disruptions.

## **Ask questions.**

Our team has a wealth of knowledge, and they are here to talk with you about the project.

## **Leave a comment.**

You can make sure your opinion is taken into consideration by filling out a comment form, leaving a comment on the project website, and/or reaching out to the project manager.
