

Veterans Expressway/SR 589 Bridge Improvements Project Between Hillsborough Avenue and Lutz Lake Fern Road

Project Description

Florida's Turnpike Enterprise is improving Veteran's Expressway/State Road (SR) 589 from north of Hillsborough Avenue (milepost 3.9) to north of Lutz Lake Fern Road (milepost 16.5), in Hillsborough County.

Benefits from this project include:

- Improving ride quality on Veterans Expressway by repairing bridge approaches and departures
- Enhancing mobility by installing new express lane markers to separate local traffic from vehicles making longer, more regional trips
- Enhancing safety by installing new pavement markings that will improve visibility

Construction and Traffic Impacts

Construction will take place during nighttime hours. Nearby residents and businesses may experience periodic construction light, noise, vibration, and dust. The Enterprise takes steps to reduce construction impacts and efforts will be made to limit traffic and noise disruptions.

Lane closures will generally take place during off-peak hours to minimize traffic congestion and delays for most drivers. Closures will be announced in advance in the Central and West Central Florida Weekly Lane Closures and Work Zone Advisory.

Schedule and Funding

Construction Schedule

Work is anticipated to be completed mid-2024.

Cost and Funding

The project cost is approximately \$5.1 million.
