

Construction Alert

Construction Begins on Florida's Turnpike at the C-24 Canal in St. Lucie County

On Monday, April 8, Florida's Turnpike Enterprise has is scheduled to begin construction activities on the Florida's Turnpike/State Road (SR) 91 bridge at the C-24 Canal, south of Port St. Lucie Boulevard (Exit 142) in St. Lucie County.

Work will take place during daytime and nighttime hours. You may experience noise, vibrations, and an increase in dust and nighttime lighting during these periods. Our project team will monitor these activities to minimize impacts to residents and businesses.

This work is part of the South and Central Florida Bridge Rehabilitation Project which focuses on prolonging the life of the Turnpike bridges at milepost 142 in St. Lucie County, milepost 184 in Okeechobee County, and milepost 192 in Osceola County.

Please note that this schedule may change due to inclement weather or unforeseen conditions.
