

## TRAFFIC ALERT

### Continuous Single Lane Closure of Southbound Florida's Turnpike at Milepost 295 in Lake County

Florida's Turnpike Enterprise has scheduled a continuous single lane closure of the outside lane of southbound Florida's Turnpike/State Road (SR) 91 at Milepost 295 in Lake County for roadway maintenance activities.

Drivers might experience delays traveling through the area and should seek alternate routes. Travelers heading south on Interstate 75 wishing to access southbound Florida's Turnpike should consider exiting at SR 44, traveling east on SR 44 to US 27, and traveling south on US 27 to enter southbound Florida's Turnpike.

The lane will remain closed until maintenance work has been completed. There will be periods of time where motorists will not see any work being performed. These periods are necessary to allow for curing. Please note that this schedule may change due to inclement weather or unforeseen conditions.

Travel safely through the area and follow all posted signs. For real-time traffic information, visit [FL511.com](http://FL511.com) before traveling, and follow Florida's Turnpike on social media: X: [@FloridaTurnpike](https://twitter.com/FloridaTurnpike) and Facebook: [FDOT Turnpike](https://www.facebook.com/FDOTTurnpike).

Florida's Turnpike Enterprise appreciates your patience while we complete this important work.
