

# Safety

- »» If no improvements are made:
- »» More congestion and crashes
- »» Slower speeds

Mainline Crashes by Year

Crash Economic Cost Over 5 Years

|                             |               |               |              |
|-----------------------------|---------------|---------------|--------------|
| Florida's Turnpike Mainline | \$306 Million | 20 Fatalities | 388 Injuries |
| Ramp Intersection at SR 60  | \$4 Million   | 0 Fatalities  | 26 Injuries  |
