

FLORIDA DEPARTMENT OF TRANSPORTATION INVITES YOU TO A PUBLIC MEETING

CAPACITY INCREASE AND SAFETY IMPROVEMENT PROJECT

Midway Road County Road (CR) 712 Widening from Glades Cut-Off Road to Jenkins Road and Midway Road County Road (CR) 712 Partial Interchange at Florida's Turnpike State Road (SR) 91 St. Lucie County, Florida
Financial Project ID: 231440-4 and 451858-1

The Florida Department of Transportation (FDOT) and Florida's Turnpike Enterprise will conduct a Public Meeting for the above referenced projects. This Public Meeting will be offered in-person and virtually. The in-person and virtual Public Meetings will have representatives available to answer questions. Project information will be available for public viewing. Questions and comments may be submitted prior to the meeting by emailing the project manager. The presentations will start at 5:30 p.m. followed by an open discussion session. Project information is posted at: FDOT Roadway project <https://www.midwayrd.com/>.

PURPOSE OF PROJECTS: The primary purpose of these projects is to provide additional capacity to meet existing and future traffic needs, improve safety by alleviating existing roadway and capacity deficiencies, and allow opportunities for pedestrian, bicycle, and transit facilities. The additional capacity will also improve freight mobility and enhance emergency evacuation along Midway Road and provide access to and from the south of Florida's Turnpike (SR 91).

JOIN US AT THE PUBLIC MEETING

PROPOSED IMPROVEMENTS

- A new partial interchange at Midway Road and Florida's Turnpike will be constructed. This will consist of a northbound off-ramp and a southbound on-ramp.
- Florida's Turnpike Enterprise intends to complete the remainder of the interchange as part of a future project.
- Widen the existing Midway Road from a 2-lane undivided facility to a 4-lane divided facility.
- Left-turn lanes will be provided in the median of Midway Road to allow access to adjacent side streets and most businesses.
- Add 7-foot buffered bike lanes on both sides of Midway Road and a 12-foot bike/pedestrian path along the south side of Midway Road.
- Replace the existing Midway Road bridge over Florida's Turnpike.

CONSTRUCTION IMPACTS

- Construction will be completed in phases to minimize interruption to traffic.
- Access to all adjacent properties will be maintained during construction on Midway Road.

CONSTRUCTION INFORMATION

- Anticipated Construction Start Date: **Summer 2027**
- Anticipated Construction End Date: **March 2030**
- Estimated Construction Cost: **\$71.4 Million**

This project is part of FDOT's **Moving Florida Forward Infrastructure Initiative** which identified critically needed projects that only lacked funding. Funding was dedicated to advance construction to address congestion, improve safety, ensure the resiliency of our transportation network, and enhance Florida's supply chain and economic growth.

Virtual Public Meeting

Tuesday, March 25, 2025, at 5:30 p.m.

To participate in the **virtual public meeting** from your computer, tablet, or smartphone please register using the following link or QR code:
<https://register.gotowebinar.com/register/6614486473158368095>.

Participants can also dial in using their phone:
Dial-in number: **+1 (631) 992-3221**
using Access code: **619-855-612**.

In Person Public Meeting

Thursday, March 27, 2025 at 5:30 p.m. to 7:30 p.m.

IRSC Treasure Coast Public Safety Training Complex Bailey Auditorium
4600 Kirby Loop Road
Fort Pierce, FL 34981

If you are unable to attend the meeting, a recording of it will be posted at: <https://www.midwayrd.com/>.

FLORIDA DEPARTMENT OF TRANSPORTATION MISSION STATEMENT

The Florida Department of Transportation's mission is to provide a safe statewide transportation system that promotes the efficient movement of people and goods, supports the state's economic competitiveness, prioritizes Florida's environment and natural resources, and preserves the quality of life and connectedness of the state's communities.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. At least seven (7) days prior to the Public Meeting, persons who require special accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge) should contact Jim Hughes, P.E. Project Manager.

ROAD DESIGN IN PROGRESS

CAPACITY INCREASE AND SAFETY IMPROVEMENT PROJECT

Midway Road (CR 712) Widening from Glades Cut-Off Road to Jenkins Road and Midway Road (CR 712) Partial Interchange at Florida's Turnpike (SR 91)

Community feedback is at the core of all we do, FDOT works with the public to balance their community vision with the community's transportation needs. This is routine on all our projects to ensure Florida's infrastructure is safe, resilient, and efficient for many years into the future.
