Construction Activities Begin Between Miramar Parkway and Hollywood Boulevard in Broward County

Construction activities have begun along Florida's Turnpike/State Road (SR) 91 between Miramar Parkway/SR 858 and Hollywood Boulevard/SR 820 in Broward County.

Daytime construction activities, including the clearing of vegetation, will take place between the hours of 7 a.m. and 7 p.m., Monday through Saturday. Overnight construction activities will occur between the hours of 9 p.m. and 5 a.m., Sunday through Thursday.

You may experience increased noise and trucks hauling material during these periods. Our project team will monitor these activities to minimize impacts to residents and businesses.

This work is part of the Transportation Systems Management & Operations project to add auxiliary lanes to Florida's Turnpike from the Turnpike Extension/SR 821 to Griffin Road/SR 818. The project is expected to be completed by late 2029.
