

Construction Alert

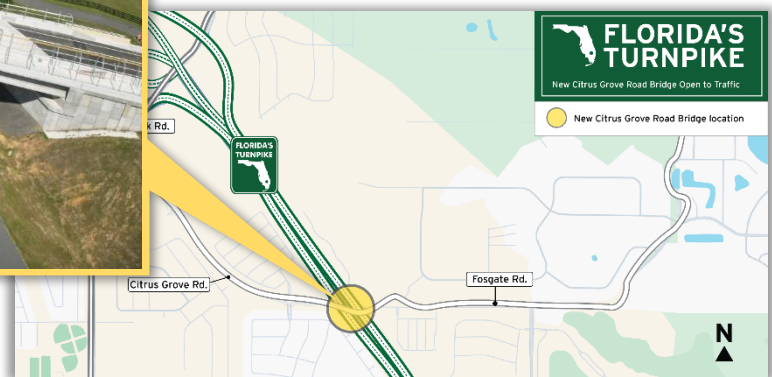

New Citrus Grove/Fosgate Road Bridge Over Florida's Turnpike Opens to Traffic

Florida's Turnpike Enterprise (Enterprise) has opened the newly constructed Citrus Grove/Fosgate Road Bridge over Florida's Turnpike/State Road (S.R.) 91 in Lake County. The new bridge provides a direct connection between Citrus Grove Road and Fosgate Road, improving local roadway connectivity and access for residents and travelers. The bridge officially opened to traffic on Friday, October 31, 2025.

The new Citrus Grove/Fosgate Road Bridge enhances mobility and safety by offering a new east-west connection across the Turnpike Mainline, improving access between nearby neighborhoods, schools, and businesses, reducing travel times and providing an alternate route for local traffic. The bridge also includes dedicated pedestrian access, supporting safe and convenient crossings for those walking or biking within the community.

This work is part of the Florida's Turnpike/S.R. 91 Widening Project from Clermont/S.R. 50 to Minneola/Hancock Road. For more information regarding this project, please visit: [Turnpike Widening from Clermont to Minneola – Florida's Turnpike](#)
