

# Construction Alert

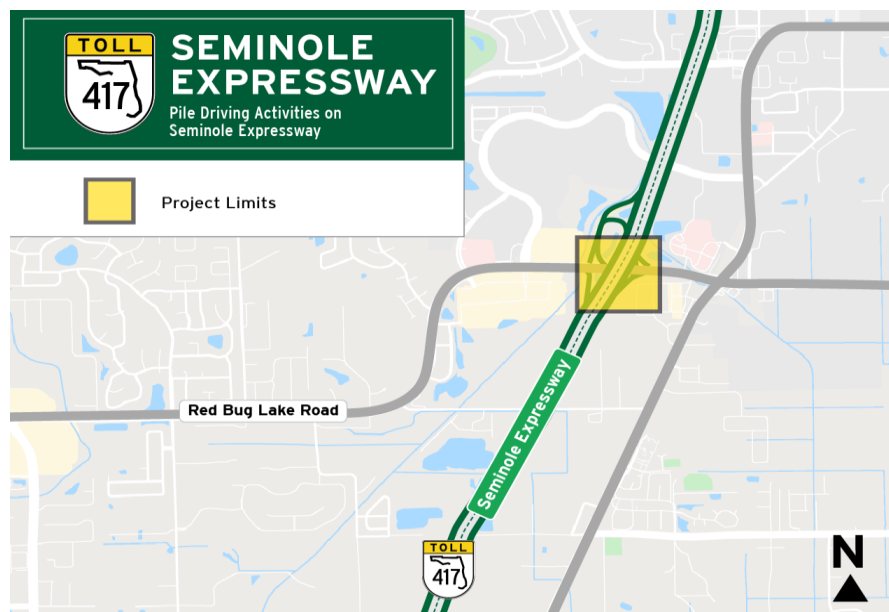

## Pile Driving Activities on Seminole Expressway Begin on Monday, January 12, 2026

Pile driving activities will take place along Seminole Expressway/State Road (S.R.) 417 at the Red Bug Lake Road bridge, beginning January 12, 2026, and continue through February 20, 2026.

Work takes place daily between the hours of 6 a.m. and 8 p.m. You may experience construction noise and vibrations during these periods. Our project team will monitor these activities to minimize impacts on residents and businesses.

This work is part of the Seminole Expressway/S.R. 417 Widening Project from Aloma Avenue/S.R. 426 to S.R. 434. Please note that this schedule may change due to inclement weather or unforeseen conditions.

We thank you for your continued patience while we complete this important project.
