Continuous Single Lane Closure on Westbound Southern Boulevard Under Florida's Turnpike in Palm Beach County

Beginning Wednesday, February 11, one lane of westbound Southern Boulevard/U.S. 98/State Road (S.R.) 80 will be closed under Florida's Turnpike/S.R. 91 to allow crews to perform bridge widening activities. This closure will continue through May 2026. Please note, this schedule may change due to inclement weather or unforeseen conditions.

During this closure, three lanes will remain open on westbound Southern Boulevard between the northbound Florida's Turnpike entrance ramp and Pike Road.

Message boards have been installed along Southern Boulevard to inform drivers of this change. Motorists are encouraged to stay alert, follow posted signs, and exercise caution through the work zone.

This work is part of the Florida's Turnpike Widening Project from West Palm Beach Service Plaza to north of Southern Boulevard.
