Florida's Turnpike Enterprise announces the opening of the new NW 170 Street interchange along Florida's Turnpike/State Road (S.R.) 821 in Miami-Dade County on April 21, 2026. This new interchange provides additional travel options and supports improved connections in northern Miami-Dade County.

The new interchange provides access to and from Florida's Turnpike for NW 170 Street east of the Turnpike and NW 107 Avenue via a northbound slip ramp. **Please note that there is no access to NW 170 Street west of Florida's Turnpike.** Motorists should follow posted signage and pavement markings when traveling through the new interchange.

This location features a partial Diverging Diamond Interchange (DDI) design. Drivers are encouraged to review the map below to better understand the traffic pattern.

Two movements at this interchange are tolled, including the northbound Turnpike entrance ramp and the southbound Turnpike exit ramp. The toll rate is \$0.58 for SunPass customers and \$0.86 for TOLL-BY-PLATE customers.

Electronic message boards, signage, and new pavement markings will be installed to guide motorists safely through the interchange. Motorists are encouraged to stay alert, follow posted signage and pavement markings, exercise caution, and plan ahead when traveling through the area.

SunPass is the preferred method to pay tolls in Florida and provides customers with the lowest toll rate, helping drivers save money while traveling the Turnpike system. For more information on becoming a SunPass customer, please visit www.SunPass.com.
