

Suncoast Parkway/State Road 589 Extension Project

from W. Norvell Highway/County Road 486 to County Road 495

Project Description

Florida's Turnpike Enterprise is advancing the extension of Suncoast Parkway/State Road (S.R.) 589 with the construction of a new 5.5-mile segment from W. Norvell Bryant Highway/County Road (C.R.) 486 to C.R. 495 in Citrus County. Known as Phase 3A of Suncoast Parkway 2, this four-lane tolled roadway (two lanes in each direction) is designed to meet the area's growing transportation needs.

Project Benefits

- **Increased Regional Access:** Providing more direct and reliable connections within Citrus County and between the region and the Tampa Bay area, helping meet future travel demands.
- **Improved Mobility:** Supporting smoother travel by completing the interchange at C.R. 486, adding a partial interchange at C.R. 495, and widening and realigning C.R. 495.
- **Enhanced Safety:** Installing new roadway lighting, signage and pavement markings, guardrail, signalization at the C.R. 495 interchange, and wrong-way driving vehicle detection technology to promote safer and more efficient travel.

Construction and Traffic Impacts

Construction activities will occur during both daytime and nighttime hours. Nearby residents and businesses may experience occasional impacts from construction-related light, noise, vibration, or dust. The Enterprise is committed to minimizing these disruptions and takes steps to limit traffic delays and noise.

Lane closures will generally take place during off-peak hours to reduce impacts to drivers. Information about closures will be provided in advance through the Central and West Central Florida Weekly Lane Closures and Work Zone Advisory.

Schedule and Funding

Construction Schedule:

Work is anticipated to be completed by early 2030.

Project Cost:

The project cost is approximately \$195 million.
