UPDATED: Daytime Lane Closures on Okeechobee Boulevard between Vista Parkway and West Drive in Palm Beach County

The temporary daytime single lane closures on Okeechobee Boulevard/State Road 704 between Vista Parkway and West Drive have been extended through the end of April 2026 for pile driving activities.

During this period, one lane of either eastbound or westbound Okeechobee Boulevard/S.R. 704 will be closed from 9 a.m. to 3:30 p.m., Monday through Friday, and from 7 a.m. to 5 p.m. on Saturdays. Two lanes will remain open in the affected direction during these daytime closures, and eastbound and westbound lanes will not be closed at the same time.

Electronic message boards have been installed along Okeechobee Boulevard to notify drivers of these closures. Motorists are encouraged to stay alert, follow posted signs, and exercise caution through the work zone. Please note that this schedule is subject to change due to inclement weather or unforeseen conditions.

This work is part of the [Florida's Turnpike Widening Project from north of Southern Boulevard to north of Okeechobee Boulevard.](#)
