

Construction Alert

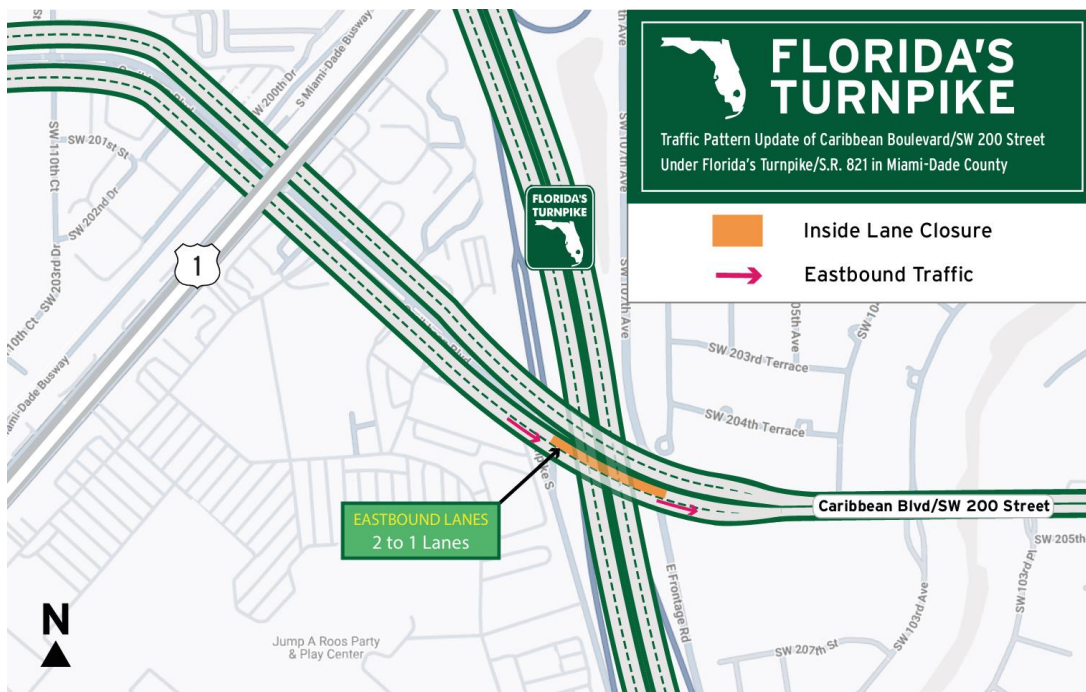

Continuous Single Lane Closure on Caribbean Boulevard/SW 200 Street Under Florida's Turnpike/State Road 821 in Miami-Dade County

Beginning Monday, June 1, 2026, one eastbound lane on Caribbean Boulevard/SW 200 Street underneath Florida's Turnpike/State Road 821, between North Frontage Road and South Frontage Road, will be reopened.

One lane of eastbound Caribbean Boulevard will remain closed for bridge construction activities through Thursday, October 1, 2026. Please note that this schedule may change due to inclement weather or other unforeseen conditions.

This work is part of the Florida's Turnpike and Surface Street Improvements Project from Hainlin Mill Road to U.S. 1. Motorists are encouraged to stay alert and follow posted signage while traveling through the work zone.
