

Forecasted Traffic Conditions (2055 No-Build)

By 2055, without any transportation improvements, congestion will worsen on several major corridors, including:

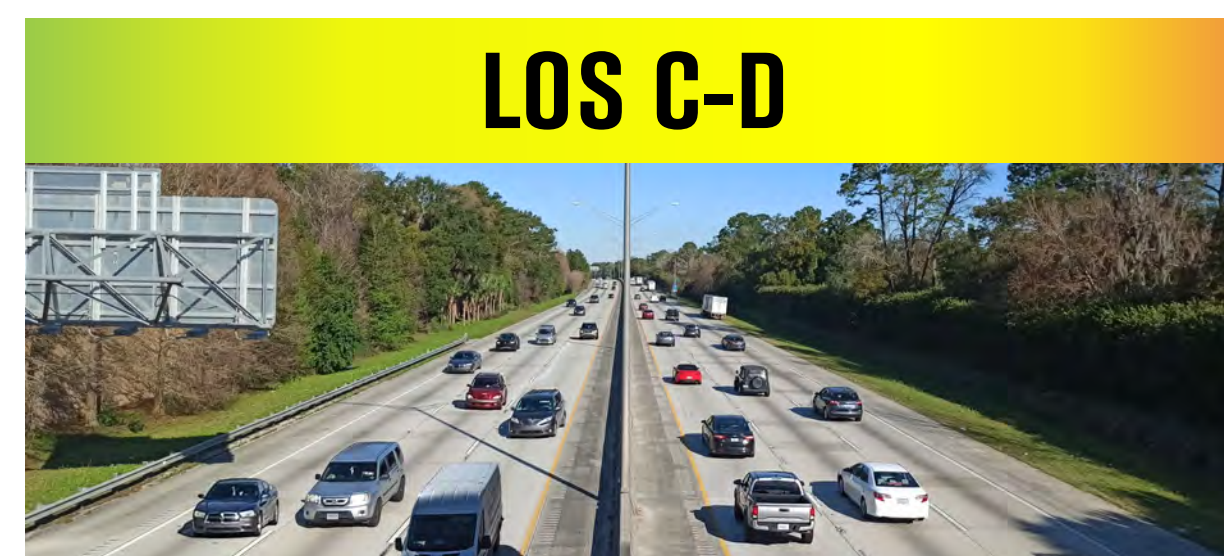

- Interstate 4
- US 27
- US 17/92
- SR 17

What is Level of Service?

Level of Service (LOS) measures how well a roadway is operating using a six-letter grading system. Level of Service A represents free flowing traffic with no congestion while Level of Service F represents heavy congestion.

No Congestion

Light Congestion

Moderate to Heavy Congestion
