

Turnpike Extension/State Road 821 Widening Project

from North of Campbell Drive to North of Tallahassee Road

Project Description

Florida's Turnpike Enterprise (Enterprise) is widening Florida's Turnpike/State Road (S.R.) 821 (Turnpike Extension) from north of Campbell Drive/SW 312 Street (Exit 2) to north of Tallahassee Road/SW 137 Avenue (Exit 6) in Miami-Dade County.

Project Benefits

- **Improved Traffic Flow:** Adding one lane in each direction of the Turnpike Extension from north of Campbell Drive to north of Tallahassee Road.
- **Enhanced Connectivity:** Reconstructing the interchanges at Biscayne Drive/SW 288 Street and Tallahassee Road/SW 137 Avenue.
- **Increased Roadway Durability:** Reconstructing the bridges over Biscayne Drive, Tallahassee Road, Moody Drive/SW 268 Street, and the C103-N Canal.
- **Strengthened Roadside Safety:** Installing wrong-way detection systems as well as new, highly reflective overhead signage and pavement markings for all lighting and weather conditions.

Construction and Traffic Impacts

Construction activities will occur during both daytime and nighttime hours. Nearby residents and businesses may experience occasional impacts from construction-related light, noise, vibration, or dust. The Enterprise is committed to minimizing these disruptions and takes steps to limit traffic delays and noise.

Lane closures will generally take place during off-peak hours to reduce impacts on drivers. Information about closures will be provided in advance through the South Florida Weekly Lane Closures and Work Zone Advisory.

Schedule and Funding

Construction Schedule:

Work is anticipated to be completed by late 2028.

Project Cost:

The project cost is approximately \$99 million.
