ORANGE COUNTY

FINANCIAL PROJECT IDENTIFICATION NUMBERS:
438547-2 AND 444979-1

NOVEMBER 2026

PROJECT OVERVIEW

The planned improvements include expanding capacity on Florida's Turnpike southbound exit ramp to Consulate Drive, increasing capacity on Consulate Drive at the US 441 intersection, and widening southbound Orange Blossom Trail as it approaches Consulate Drive (FPID 438547-2). Additional work involves constructing a new westbound SR 528 exit ramp to La Quinta Drive (FPID 444979-1). Together, these projects will improve access to Orange Blossom Trail and the Florida Mall area, reduce congestion on Landstreet Road, SR 528, and nearby ramps, remove existing toll infrastructure, and enhance overall safety and traffic flow.

Future improvements under evaluation include a new eastbound on ramp from Gills Drive (FPID 444979-2). This project may advance to the design phase in the future.
